Terry:

I got a copy of this from the Trustee. It does not impact us since the water was actually cut off in 2014 because they had a water leak.

Thanks

Hal/Abigail:

I wanted to make you aware that the City of Houston has sent notices (see attached) to David A. this week stating that all water services provided to 4904 and 4904 ½ Griggs Road will soon be turned off. We stopped paying the utility bills some months ago as the estate was running out of money.

Wayne wanted me to make you aware of this matter so as not to have a negative impact on the clean up efforts of the facility currently in progress.
